

Lasting Luxury for Less

NOTHING COMPARES TO A

Down East Spa

At Down East Spas, we've spent more than 30 years creating the perfect spa experience. Using the best designs and technologies in the industry, we offer the most relaxing and therapeutic spas you'll find anywhere. And thanks to our innovative filtration and heating systems, your Down East Spa is among the easiest to care for and most economical to operate.

Are you ready to put the stresses of the day behind you? Let us pamper you. Because for the ultimate relaxation in the comfort of your home, nothing compares to a Down East Spa.

WITH A WIDE RANGE OF SEATING ARRANGEMENTS,

OUR SPAS FEATURE ERGONOMICALLY DESIGNED SEATS TO

Fit the natural contours of your body

Powerful adjustable jets provide massaging water movement where you want it, at the strength you find most comfortable.

EuroPressure Jet™

Works on pressure points on back, hips, hands, calves and feet.

DeluxeDirectional™

Oversized jet that allows you to direct the massage to the exact spot it is needed.

PulseMaster™

Invigorating pulsating massage gives you a whole new level of therapy.

MASTER BLASTER™ FOOT THERAPY SYSTEM

You'll love the soothing relief of the Master Blaster™ Foot Therapy System, with 14 individual jet nozzles working together to give you all the benefits of a therapeutic foot massage. Simply slip into a new Down East Spa, and let our advanced jet systems take you to paradise.

To massage away tension and improve circulation, our spas feature powerful jets that are strategically located to relax you from head to toe. Our spa configurations feature reverse molded seats that offer greater comfort while providing a cushioned hydrotherapy ledge that gently relaxes your neck and shoulders.

THE ECO PUR *Water Filtration System*

With a Down East Spa, you can rest assured that the quality of the water exceeds industry standards. In fact, we've developed a complete spa filtration system for clean, clear water that uses the same techniques as Mother Nature.

MULTI-STAGE WATER POLISHING SYSTEM

Stage 1: Macro Pre Filter

The macro filtration system uses a macro or coarse filter similar to natural sand and gravel filtration to remove all large contaminants and debris that enter the filter area. With our free flow filter core, you receive the most even flow of water through the entire cartridge which maximizes filtration utilizing greater media surface. This is the latest media in spa filtration combining 100% polyester synthetic fibers with microban antimicrobial technology which filters out contaminants and inhibits the growth of bacteria that causes odors and stains.

Stage 2: Eco Pur Polishing Filters

This additional stage of filtration helps to polish the water to a sparkle.

Stage 3: Ozonation

Our system uses a high output Corona Discharge Ozone generator to oxidize the water.

OUR SPAS LOOK AND SOUND

Better Than Ever

Our exciting, optional, high-end, i-Pod ready CD/FM stereo with subwoofer features a waterproof enclosure. (Available on the East Hampton, Portsmouth, Windsor, Exeter and Cape Cod models.)

Our unique flush-mount speaker design allows you to use a normal spa cover and still enjoy rich stereo sound.

DEX THERAPY SEAT

OPTIONAL LED LIGHTING

MASTER BLASTER™ JETS

WATERFALL

Down East Spas' SE models take your luxury spa experience to a whole new level – at remarkable values. The SE models are available in the Portsmouth, Windsor, Exeter, Cape Cod and East Hampton. All SE models feature 3 high-performance therapy pumps plus an energy efficient circulation pump, additional therapy jets, a waterfall and the patented Eco Pur multi-stage filtration system for clean, clear water.

You can add optional LED lighting, a premier sound system that's iPod ready or for the ultimate in backyard luxury, choose the Spa Theater System option on the Windsor and relax while watching your favorite program on the pop-up flat screen HDTV.

SKIRT AND COLOR *Options*

Match the color of your spa with the skirting of your choice, for a distinctive combination that's truly your own.

Choose from the standard DuraMaster Premium™ polymer skirting, or the MasterSelect™ skirt that has the look of real wood, but is virtually maintenance free. For the ultimate luxury choose the convincing DreamStone™ synthetic rock skirt.

Master Spas is based in Fort Wayne, Indiana, 90 miles north of Indianapolis. Operating out of a state-of-the-art 175,000 square foot manufacturing facility and distribution center covering 18 acres, and a 60,000 square foot warehouse complex on 9 acres, we are one of the largest spa manufacturers in the country. Our management team has over 90 years of spa manufacturing success, one of the strongest track records in the industry.

SOOTHING RELIEF *Down East Spas*

Cares for Cures

Master Spas is pleased and proud to assist two foundations dedicated to finding and funding the cures for life-hindering diseases.

Along with the Lupus Foundation of America, we have initiated a campaign to help raise awareness and find a cure for this debilitating disease that affects more than 1.5 million Americans.

Part of the profit from each "Lights for Lupus" spa model will go to the Lupus Foundation. Together, we can fund and find the cure.

Master Spas has joined forces with the Vera Bradley Foundation for Breast Cancer to eradicate breast cancer, a life-threatening disease, by providing financial support for research and research-related projects.

For more information, visit lupus.org and verabradley.org.
